

Each Year a **NEW**
Trivia Challenge Quiz
will be **provided** for all students
who attend the SCMA event.

Answers to the questions will be posted on our web site the following Wednesday
(Generally a two-paged quiz)

Our goal at SCMA is to provide a quality educational program through
"Living History" that is accurate and consistent for all students during the two-day
event.

- 1) Though the two reenactments (Confederate victory in the morning / Federal victory afternoon) remain the same for the event each year, the number of participants (re-enactors) and the Units they represent may change annually.
- 2) Some re-enactors and units only participate for one day
- 3) On Friday, the eve of the event, the re-enactors and units begin setting up their perspective camps. This is when the interview progress takes place and the questions for the Trivia Challenge Quiz are developed. Later that evening the answers are researched for accuracy and authenticity. By Saturday morning a new Trivia Challenge will be revealed and the oral history scavenger hunt will begin!

Trivia Challenge 2007
